LX							
Mini Nine	Power	Bulb Code	Quan				
	750w/5kw	FAY		1	\$300	\$300	10
	A/C Tails need individual 15 amp circuit for each tail. Best used as an ambient fill into a large bounce like 12'x12'. 3200" balance (tungsten)						
Strand Bambino	1000w PAR	EGT		2	\$600	\$1200	20
	3200" balance (tungsten). Workhorse of the industry. Fresnel lens makes it highly focusable.				Lights come with a set of 5 scrims in a bag. 3 doubles, 2 singles.		
Redhead	1000w open face	800w-DXX 1000w-DXW		1	\$400	\$400	15
	3200" balance (tungsten). Like the Nine light it is a great source of high intensity light to flood an area.						
Mole Richardson Tweenie	300w	FKW		1	\$500	\$500	18
	3200" balance (tungsten). 1/3 the power of a baby it serves well as a back light in 1-2k lighting situations.				Light comes with a set of 5 scrims in a bag. 2 doubles, 1 single. & 1 half single, 1 half double		
Source Four Par	750	HPL		1	\$350	\$350	15
	3200" balance (tungsten). Used mostly in theatre and soundstages it has changeable lenses and provides a very general blast of high intensity light.				Light comes with the choice of a wide, med or narrow lens. A gel frame is also included.		
Nook light	150-500w	Standard Double ended bulb		3	\$100	\$300	10
	3200" balance (tungsten). A very basic light source. Generally used as a work light				A UV protection glass is also included.

Herein after, the rental house "Hub City Cinema Society" will be referred to as "the provider" and the party renting the gear will be referred to as "the renter" and the items of rental will be referred to as "the gear".

- All rentals must be prepaid before the equipment leaves the facility.
- All the gear must be inspected for damage BEFORE it leaves the facility. Any damage noted upon return will be the responsibility of the renter and repairs or replacement will be charged to the renter.
- The repair/replacement charges will be at the providers discretion. There will be NO pro-rating or discount of the charges regardless of the age of the equipment OR the cost of the rental.
- Any problems with the gear must be immediately reported to the contact given at the time of rental; either by phone, text or by email.
- Rental period is for 24 hours from time of pick-up. Returns must be arranged with the contact person to occur within that time frame else additional charges be incurred.
- Gear must be returned clean and dry. Cleaning charges will apply to any dirty or wet gear. (Mud off stands, tape and glue, dirty and/or wet fabrics, paint and oil residue etc.)
- Persons using the gear must be familiar with it's use and if not, the person responsible for the gear will provide adequate training in its use.
- Proof of insurance must be provided to the equivalent of the replacement value of the gear. If that cannot be provided then a damage deposit must be left in cash to 100% of the value of the gear.
- Any discounts will be applied on a case by case basis. A previous discount is not a guarantee for another one.
- There will be no discounts for the early return of gear.
- Any payments made that are dishonoured will be subject to a 25% handling fee.
- Tampering or modifying the gear is strictly forbidden. Any gear that is found to have been tampered with or modified will be charged to the renter at full replacement value.
- Gear is to be used for it's intended purpose only.
- Any footage shot with gear in the scene will incur an additional charge for set decoration.
-

Hub City Cinema Society cannot be held responsible for any damage caused by the gear provided either by it's misuse or by it's transport into any area other than the rental house itself. Renters are reminded to always be safe when moving the equipment and to err on the side of caution when handling and using the gear.

By signing, you agree to rules above and take responsibility for the security and handling of the gear.
